

Word FriQ [word freak]

Instructions:

This test is not a pure verbal intelligence test. However, a high score will probably correlate with a high IQ. The test is untimed, and all aids are allowed with the exception of discussion with others. A completely correct answer yields one point, everything else zero points. Items in the beginning are probably easier than those at the end. Please send your answers to:

submission@iq300.se

Since this test is scored for **free** on my spare time, I require three things from you:

1. Do **not** discuss solutions with others: prior, during, or after the test.
2. Do **not** publish solutions or answers, anywhere, anytime.
3. Fill in **all** information in the table below when submitting.

Good luck!
